---

Centretown CHC has one available opportunity for Nurse Practitioner, RN (Extended Class) in our Primary Care Program. Join a dynamic group of health care professionals providing a full spectrum of primary health care in a community health centre located in downtown Ottawa. Our interdisciplinary team includes other nurse practitioners, family physicians, registered nurses, medical receptionists diabetes educators, social workers, community support workers, and other health care professionals.

**Nurse Practitioner, RN (Extended Class) - Primary Care - (0.6FTE) 3 days/week**

The Nurse Practitioner, RN (EC) provides primary health care services with strong emphasis on disease prevention, health promotion and chronic disease management. The position will manage a primary care practice of approximately 475 clients across the lifespan within a cohesive provider team of other nurse practitioners and family physicians. This position will also be scheduled for some same day access clinics, and may be cross-trained to provide coverage to different clinics geared towards serving the Centre's priority populations.

**Requirements:**

**Nurse Practitioner, RN (Extended Class) Primary Care**

- Minimum two years experience as a Nurse Practitioner, RN (EC) in a community primary care setting, including working with clients throughout the life cycle and across the wellness-to-illness continuum.
- Bachelor degree in Nursing
- Registration in the Extended Class with the College of Nurses of Ontario.
- Current professional liability coverage
- Knowledge of and commitment to community-based health care
- Significant expertise in supporting people with complex mental health and addiction issues
- Demonstrated ability to apply a harm reduction approach to care
- Knowledge of and ability to work effectively with diverse populations applying a health equity, anti-racism and anti-oppression lens.
- Ability to work effectively, independently and in a multi-disciplinary team setting
- Strong clinical assessment skills
- Strong problem solving skills
- Excellent written and verbal communication skills
- Excellent interpersonal and organizational skills
- Proficient with Windows-based computer systems, in particular email and MS Word.
- Available to work occasional scheduled evenings or weekends.

**Desirable**

- Experience with PS Suite and/or other electronic client record
- Ability to communicate in another language an asset (e.g. Chinese, Spanish, Arabic, Somali, etc.)

**Language Designation**

English, written and spoken

French, spoken.

**How to “express an interest” for this opportunity:**

Submit your letter of interest along with your resume on or before **November 23** by 11:59pm to [jobs@centretownchc.org](mailto:jobs@centretownchc.org).

Please note the following:

- The subject line of your email should read “Primary Care Nurse Practitioner, RN (Extended Class)”
- The file name for your resume should read:“(last name)\_(first name)\_ Resume
- The file name for your cover letter should read: “(last name)\_(first name)\_ Cover Letter

We thank all applicants for their interest. Only applicants invited to an interview will be contacted. Interviews will be conducted in late November.

Candidates requiring accommodation during the application and/or the interview process should contact us at [jobs@centretownchc.org](mailto:jobs@centretownchc.org) so arrangements can be made. CCHC is an equal opportunity employer and values diversity in its workforce and as such we encourage applications from individuals who reflect the broad diversity of communities we work with.
